Dear Friends,

We are pleased to present you with our 2019 Annual Report, which includes information on our highly successful 2018 – 2019 program year. We are so fortunate to have the continued support of our members, patrons and artists, whose generosity and encouragement allows us to ensure that we fulfill our mission: fostering appreciation for contemporary visual arts in Southern California by supporting artists, exhibitions, educational programs and art-oriented, non-profit institutions.

On behalf of the entire membership of the Pasadena Art Alliance, thank you!

Judy Penner
President, Pasadena Art Alliance

LOOK WHAT WE ACCOMPLISHED TOGETHER!
Grants Program

Since 1955, the Pasadena Art Alliance has been unwavering in its purpose yet ever flexible in seeking innovative ways to fulfill its mission. Unique in its independence, not associated with any art group or institution, it is open to new artistic expressions and concepts, often championing projects that might not be funded by traditional methods. In March 2019, the Pasadena Art Alliance presented a record amount in grants totaling $305,000 to 28 organizations in the San Gabriel Valley and greater Los Angeles areas.

The PAA Impact Award was created in 2015 to honor a non-profit organization that impacts youth through contemporary visual art education. The 2019 recipient was Ryman Arts, one of the top youth arts programs nationally. Ryman Arts offers intensive out-of-school studio art instruction, college and career guidance, art supplies, and support services at no cost to the student. The Pasadena Art Alliance was proud to award $25,000 to Ryman Arts to help this incredible program continue and thrive.
34th Treasure Sale Raised Over $300,000

The Pasadena Art Alliance held its legendary Treasure Sale for four consecutive days in April 2019. Putting together the event is a herculean effort involving countless hours of planning, collecting, arranging, advertising, and staffing that involves almost every member of the organization. Proceeds from the sale, which takes place about once every four years, go directly toward the PAA Grant Program and Impact Award which support contemporary visual art and art education that make a difference in our communities.
